To My Patients,

I am writing to inform you of my upcoming retirement from the practice of Plastic Surgery in December of this year. My wife, Karen Columbus, M.D., and I are looking forward to embarking on the next phase of our lives after the culmination of our surgical careers.

I am grateful to each and every one of you for having entrusted your care to me over the course of my career. It has been my privilege to have the opportunity to care for you.

It is my hope that you will continue to choose The Plastic Surgery Group for your surgical and nonsurgical care. I have been fortunate to have been a part of this wonderful group for 20 years and I am confident my partners will provide you with the high quality care you deserve going forward.

I will continue to work through mid December, so if your family, friends or you have any Plastic Surgery needs before I retire, please call 513-791-4440 to schedule an appointment before my calendar fills up.

Best wishes,

Michael Columbus, M.D.
